I, Ross Andrew Blakeley, Chartered Accountant and Registered Liquidator of Level 21, Bourke
Place, 600 Bourke Street, Melbourne, in the State of Victoria make oath and say as follows:

1. I am the First Plaintiff in this proceeding and the Liquidator of Australian Music Group
Pty Ltd (In Liquidation) and 16 other associated group plaintiff companies and am
authorised to make this affidavit on behalf of the other plaintiffs.
2. I am a Chartered Accountant, Registered Liquidator and Senior Managing Director of
FTI Consulting. I have practised as an Insolvency Practitioner for over 25 years.
During that time I have predominately worked on corporate insolvencies.

Now produced and shown to me and marked "RAB-1" is a copy of my curriculum vitae
which outlines my relevant professional qualifications and experience.

3. I make this affidavit from my own knowledge except where otherwise stated. Where I refer to matters on information, I believe that information to be true and correct.
4. I swear this affidavit in support of the plaintiffs' originating process dated on or around the date of this affidavit.

Appointments over the group

5. On 23 August 2012 I was appointed as a joint and several administrator, together with Andrew Peter Schwarz, of the following companies:

 - (q) MLA Services Pty Ltd (In Liquidation) ACN 005 564 509 (**MLA Services**),
- (together, the "**Australian Music Group**", the "**Group**" and the "**Group companies**").

6. The appointments were made by the directors of the Group companies pursuant to section 436A of the *Corporations Act* 2001 (Cth) (**Act**). Now produced and shown to me and marked "**RAB-2**" and "**RAB-3**" are true copies of the following documents:

- (a) instruments of appointment dated 23 August 2012 ("**RAB-2**"); and
- (b) historical company searches of the Group companies obtained from the records maintained by the Australian Securities and Investments Commission and dated 6 August 2018 ("**RAB-3**").

7. On 25 January 2013, Mr Schwarz and I convened and held a second meeting of creditors for each of the companies in the Group pursuant to section 439A of the Act. At that meeting the creditors of the Group resolved that the Group companies be wound up pursuant to section 439C of the Act. Mr Schwarz and I became their liquidators by virtue of section 446A of the Act.

Now produced and shown to me and marked "RAB-4" is a true copy of the minutes of the meeting of creditors held on 25 January 2013 recording the relevant resolutions.

8. Mr Schwarz ceased to act as a liquidator of the Group companies on 26 March 2014 and I became the sole liquidator of each company from that date.

Background

9. At the date of my appointment as administrator, the Group was Australia's largest retailer and wholesaler of musical instruments. The Group's wholesale business provided stock to wholly-owned Allans Billy Hyde retail stores, as well as to about 300 independent retailers.
10. The Group operated on a consolidated basis with the activities of the Group companies intertwined. As examples:
- (a) AMPL was responsible for generating approximately 85% of the Group's income via its retail operations and holding stock;
 - (b) AMGSS was the employing entity; and
 - (c) various other Group companies were tenants under leases and held other fixed assets.
11. As a consequence, the Group companies were subject to ASIC Class Order number 98/1418 (**ASIC Class Order**). Accordingly, they were eligible to, and did, prepare consolidated accounts and maintain books and records as a consolidated group. As a condition of the ASIC Class Order, each company within the Group guaranteed the debts of all others within the Group.

Now produced and shown to me and marked "RAB-5" are true copies of:

- (a) ASIC Class Order; and

(b) the Deeds of Cross-Guarantee dated 13 June 2008, 29 June 2011 and 27 June 2012 (**Cross Deed and/or Deed of Cross Guarantee**).

12. The effect of the Cross Deed was that each Group company was liable for the debts of the other when one company within the Group defaulted on its payment obligations.
13. In the course of the liquidation of the Group I considered making an application for a pooling order under section 579E of the Act, given the close inter-relationship of the group companies and the fact that they are each subject to the Cross Deed. I did not seek such an order as it was likely that unsecured creditors of the companies in the Group that had assets would be materially disadvantaged by the order, meaning that the application would not have been tenable.

Insolvent Trading Claim

14. In my capacity as liquidator, I investigated the affairs of the Group companies and the investigations are now concluded.
15. Prior to the conclusion of my investigations, on 21 August 2018, I issued Supreme Court Proceedings against Timothy James Mason and John Frederick Helme, the directors of the Group (together, **Directors**) pursuant to sections 588G and 588M(2) of the Act (**Insolvent Trading Proceeding**).
16. The principal claim in the Insolvent Trading Proceeding was in the amount of \$15,520,548.00.
17. The debts were incurred in the relevant period, being the period in which the companies were insolvent, by the following companies in the Group (**Claim Companies**):

Company	Total Debts Incurred	Proportion of Claim
---------	----------------------	---------------------

AMG	\$8,329,175.57	53.67%
AMPL	\$4,138,371.97	26.66%
AMGSS	\$2,224,079.95	14.33%
AMGH	\$445,593.72	2.87%
MLA Asset Services Pty Ltd	\$231,034.74	1.49%
Music Link Australia Pty Ltd	\$76,777.47	0.49%
Music Link Pty Ltd	\$19,734.00	0.13%
Intermusic Distribution Pty Ltd	\$18,254.48	0.12%
Billy Hyde Music Group Pty Ltd	\$16,990.79	0.11%
The Billy Hyde Group Pty Ltd	\$9,576.70	0.06%
Musiclink Orchestral Supplies Pty Ltd	\$7,826.87	0.05%
Billy Hyde Music Adelaide Pty Ltd	\$3,044.00	0.02%
Billy Hyde Music Group Gold Coast Pty Ltd	\$87.00	.001%
Total	\$15,520,548.00	100%

18. On 2 December 2019, the parties to the Insolvent Trading Proceeding settled the claims on the terms set out in a deed of settlement and release dated 2 December 2019 (**Settlement Deed**).
19. Under the terms of the Settlement Deed, the Directors agreed to pay the plaintiffs an amount of \$500,000 in full and final settlement of the Insolvent Trading Proceeding (**Proceeds**).
20. On 3 March 2020, the Proceeds were received into the trust account of the Liquidator's solicitors. The Proceeds were then received into the bank account operated by AMPL (**Primary Bank Account**).

Allocation to Claim Companies and creditors

21. On 8 July 2021, I sent by post and by email, a one page circular to the creditors of the Group dated 8 July 2021 (**Circular**), notifying them that a report to creditors dated 8 July 2021 has been issued and providing details on how to access the same, including a link to a draft copy of this affidavit before it was sworn (**Report**). The Report, amongst other things, notifies the creditors of the Group of the directions sought in this application and the differing methods of allocation of the Proceeds and apportionment of costs.

Now produced and shown to me and marked "**RAB-6**" is a copy of the Circular and the Report to creditors both dated 8 July 2021.

22. The creditors of the Group have been given 21 days from the date of the Report to serve any notice of objection as to the subject matter of the Report. Prior to the hearing of this application, I will provide a supplementary affidavit confirming if any response to the Report was received from any creditor.

23. George Tansley of my office, and I, have also liaised with Mr Michael Richter of the Recovery and Litigation Branch of the Employee Entitlement Safeguards and Policy Division of the Attorney-General's Department in respect of the employees of AMGSS.

Now produced and shown to me and marked "**RAB-7**" are copies of Mr Tansley's email correspondence with Mr Richter.

24. In my capacity as Liquidator, I seek directions from this Honourable Court in relation to the allocation of the Proceeds and how to deal with the funds in the plaintiff companies bank accounts, where applicable.

Method of allocation

habellajiem

Don Blakely

25. Given that the claims made in the Insolvent Trading Proceeding are in respect of debts incurred across the Claim Companies, I have had to consider the basis on which the Proceeds ought to be allocated amongst them. I consider the appropriate method by which the Proceeds should be allocated is in proportion to each amount of the claim (debts incurred) for insolvent trading made in respect of each of the companies (**Proportionate Method**).

Now produced and shown to me and marked "RAB-8" is a copy of the schedule recording the Proportionate Method.

26. I believe the Proportionate Method is the most logical, just and efficient process for allocating the Proceeds between the Group entities. The allocation under this method corresponds to the debts incurred by insolvent trading in each of the Claim Companies and is accordingly equivalent to the loss and damage incurred by their respective creditors. The allocation that would result from the Proportionate Method is as follows:

Company	Percentage of creditors included in Insolvent Trading Claim	Proceeds allocation amount
AMGSS	14.3%	\$71,649.53
AMPL	26.7%	\$133,319.13
AMGH	2.9%	\$14,355.00
AMG	53.7%	\$268,327.38
Billy Hyde Music Adelaide Pty Ltd	0.02%	\$98.06
Billy Hyde Music Gold Coast Pty Ltd	0.001%	\$2.80
Billy Hyde Music Group Pty Ltd	0.11%	\$547.37
Intermusic Distribution Pty Ltd	0.12%	\$588.06
MLA Services	1.49%	\$7,442.88
Music Link Australia Pty Ltd	0.49%	\$2,473.40
Musiclink Group Pty Ltd	0.13%	\$635.74

Musiclink Orchestral Supplies Pty Ltd	0.05%	\$252.15
The Billy Hyde Group Pty Ltd	0.06%	\$308.53
Total:	100%	\$500,000.00

27. AMG is the principal operating entity of the Group and it incurred the most debts whilst insolvent and therefore has the largest claim to the Proceeds.

28. I have considered, and discarded, two other possible methods of allocation:

- (a) the amount will be allocated proportionally but adjusted according to the strength or weakness of each of the companies' claims (**Risk Adjusted Method**); and
- (b) the Proceeds of settlement will be allocated equally between the companies creditors (**Even Method**).

Now produced and shown to me and marked "RAB-9" is a copy of the schedule recording the Even Method.

29. The Risk Adjusted Method is impractical in that it is difficult and potentially costly to differentiate the strength and/or weakness for the prospects of success of each debt given:

- (a) the activities of the Group were so intertwined;
- (b) the debts were incurred over a significant period of time;
- (c) the large number of trading debts incurred; and
- (d) that the Cross Deed results in all the Group companies incurring the contingent debts of each other and therefore the strength of the claim at least in respect of mathematical insolvency of the Claim Companies being equal in each case.

30. If the Even Method is applied, some entities will have a surplus after the payment of debts, and that surplus may then be distributed back through to the other entities in the Group as a result of the Cross Deed. This method will have implications for AMGSS in that it is likely employees will receive less than they would under the Proportionate Method. Further, this method is inherently unfair in that the allocation does not reflect the damage inflicted on each entity, which is in proportion to the debts incurred rather than even.
31. I therefore seek orders to allocate the Proceeds in accordance with the Proportionate Method, the Proceeds would be allocated in proportion to the amount of the claim (debts incurred) of the Insolvent Trading Proceeding made by each of the companies comprising the Group.

Pooling considerations

32. I have made an assessment of whether a pooling determination or a pooling order would be appropriate in the circumstances and summarise my findings below.
- (a) Under a pooling determination or pooling order:
- (i) employees will receive 100 cents in the dollar return in respect of wages and superannuation;
 - (ii) employees will receive 33.9 cents in the dollar return in respect of leave entitlements; and
 - (iii) there will be no return to unsecured creditors.
- (b) This position is compared to the scenario in which the Proportionate Method, described above, is applied:
- (i) employees will receive 65.4 cents in the dollar return in respect of wages and superannuation;

Michelle Givens *Ron Blakely*

- (ii) employees will not receive a return in respect of leave entitlements;
and
- (iii) unsecured creditors receive an amount of 3.19 cents in the dollar.

Now produced and shown to me and marked "RAB-10" is a copy of my calculations in respect of a pooling scenario.

Bank accounts for Group companies and distribution to unsecured creditors

- 33. The Group comprises a total of 17 entities. As at the date of swearing this affidavit, 12 of the Group companies have liquidation bank accounts set up during the administration or liquidation period.
- 34. The various bank accounts of the companies hold nominal amounts of cash at bank, except for AMPL, the Primary Bank Account which currently holds an amount of \$1,625,504 in cash at bank.
- 35. Subject to the Court ratifying the Proportionate Method, it is proposed then that the nominal amounts of cash at bank of each of the companies (with bank accounts) transfer those nominal amounts to the Primary Bank Account for the purposes of ultimately making the distribution to unsecured creditors.
- 36. AMGSS has its own bank account and would be treated separately to that of the Other Entities in respect of making the distribution to employee creditors.
- 37. Accordingly, in this application, I seek orders pursuant to sections 90-15 and 65-45 of Schedule 2 of the Act to dispense with the requirement to open separate bank accounts for each of the five companies within the Group that do not currently have bank accounts, being:

- (a) AMG;

- (b) Intermusic Distribution Pty Ltd (In Liquidation) ACN 006 539 831;
 - (c) Musiclink Group Pty Ltd (In Liquidation) ACN 125 412 464;
 - (d) MLA Asset Services Pty Ltd (In Liquidation) ACN 131 523 905; and
 - (e) Musiclink Orchestral Supplies Pty Ltd (In Liquidation) ACN 117 581 996.
38. The proposed allocation of Proceeds, as set out in the Proportionate Method, shows that only a total of five companies are expected to receive material returns from the allocation of Proceeds, those entities being AMGSS, AMPL, AMGH, AMG and MLA Services.
39. The administrative cost and time incurred in opening the additional bank accounts, in circumstances where a number of those entities are only expected to receive a nominal percentage of the Proceeds, will render it uneconomical to distribute the nominal percentage of Proceeds or to open additional bank accounts.
40. As set out at paragraph 20, 34, 35 and 36 above, the Proceeds are currently held in the Primary Bank Account. It is proposed that the Proceeds and all cash at bank balances (but for AMGSS, as its own separate entity) be remitted to the Primary Bank Account for the purposes of making the distribution to creditors in accordance with the Cross Deed and section 556 of the Act.
41. In making one distribution to unsecured creditors, I note the following:
- (a) all employee creditors of the Group were employed by AMGSS;
 - (b) in accordance with the proposed allocation of Proceeds, the employee creditors of AMGSS will retain their priority to the assets of AMGSS and I anticipate a return of 65.4 cents in the dollar on wages and superannuation. Since employee creditors of AMGSS have higher priority than ordinary unsecured creditors, they will have the benefit of all of the assets of AMGSS

after higher ranking claim. In effect, the distribution of Proceeds flowing to AMGSS will be distinct from the rest of the companies in the Group;

- (c) the remaining entities of the Group do not have any employee priority creditors (**Other Entities**);
- (d) the funds available for unsecured creditors of the Other Entities will be distributed equally amongst all unsecured creditors of the Group in accordance with the Cross Deed and section 556 of the Act; and
- (e) the unsecured creditor claims of the Other Entities total approximately \$20,803,376 and therefore I anticipate a return to unsecured creditors of the Other Entities in the amount of 3.19 cents in the dollar.

42. Accordingly, in this application, I seek orders pursuant to sections 90-15 and 65-45 of Schedule 2 of the Act to pay one dividend to unsecured creditors of the companies in the Group (except AMG Shared Services Pty Ltd (In Liquidation)) from the Primary Bank Account.

Payment of my remuneration and expenses

43. The proposed allocation of the Proceeds under the Proportionate Method and via the Primary Bank Account will discharge the fees and expenses properly incurred by my office in relation to the insolvent trading claim directly from that company's allocation of the Proceeds or by way of cash at bank of that company.

Undrawn Approved Fees

44. I have sought and been granted fee approval in all Group companies. The following table sets out the amount of those approved fees which have not yet been drawn, for each entity:

Undrawn Approved Fees	
Entity	Amount (\$)

AMGSS	84,380.00
AMPL	0.00

Fees for which I seek Approval in this Application – Fees already incurred

45. My staff have prepared a Remuneration Approval Report in respect of each of AMPL, AMGH and AMG that set out the details of the fees for which I seek approval for in this application.

Now produced and shown to me and marked "RAB-11" is a true copy of the Remuneration Approval Report for AMPL dated 8 July 2021.

Now produced and shown to me and marked "RAB-12" is a true copy of the Remuneration Approval Report for AMGH dated 8 July 2021.

Now produced and shown to me and marked "RAB-13" is a true copy of the Remuneration Approval Report for AMG dated 8 July 2021.

46. I seek approval for fees already incurred in my capacity as liquidator of the following Group companies, as follows:

Mark Higgins - Don Blakely

- (a) in respect of AMPL, the amount of \$175,589.55 (excluding GST) for the period between 25 June 2019 to 30 June 2021;
- (b) in respect of AMGH, the amount of \$19,266.00 (excluding GST) for the period between 19 April 2017 to 30 June 2021; and
- (c) in respect of AMG, the amount of \$33,912.00 (excluding GST) for the period between 28 November 2017 to 30 June 2021,

(together, **Historical Fees**).

47. The work conducted by my office in respect of the Historical Fees sought primarily relates to, amongst other things, pursuing the Insolvent Trading Proceeding and considering and determining how to distribute the Proceeds amongst the Group companies. In particular, this work included:

- (a) reviewing and assessing the solvency position of the Group companies and compiling evidence in support of same;
- (b) determining commerciality of pursuing the Insolvent Trading Proceeding;
- (c) preparing for, and attending mediation regarding the Insolvent Trading Proceeding where the claim was settled;
- (d) reviewing and assessing the allocation of creditor claims that formed part of Insolvent Trading Proceeding;
- (e) reviewing the Cross Deed regarding the same;
- (f) reviewing legal advice;
- (g) preparing and analysing the estimated outcome statement;
- (h) analysing the different outcomes under a pooling scenario and a non-pooling scenario; and
- (i) liaising with solicitors and counsel on the Insolvent Trading Proceeding and subsequent allocation of the Proceeds.

Fees for which I seek Approval in this Application – Fees for future work

48. I also seek approval for future remuneration and expenses to be incurred in my capacity as liquidator of the following Group companies, as follows:
- (a) in respect of AMPL, the capped amount of \$105,194.13 (excluding GST) for the period between 1 July 2021 to the conclusion of the liquidation; and
 - (b) in respect of AMG, the capped amount of \$45,182.84 (excluding GST) for the period between 1 July 2021 to the conclusion of the liquidation,
- (together, **Future Fees**).
49. It is anticipated that the time subject of the Future Fees will be primarily spent in connection with completing the following tasks:
- (a) preparing and filing this application with the Court;
 - (b) review, adjudication and payment of unsecured creditor claims; and
 - (c) dealing with any other necessary steps required to finalise the liquidations of the 17 Group companies.
50. The approval for my Future Fees is proposed to be billed against AMPL and AMG, alone. I consider that the payment and remuneration of costs incurred in respect of the Future Fees is justified given:
- (a) the Future Fees are primarily to be incurred on declaring and distributing the first and final dividend to unsecured creditors and a dividend to priority creditors for wages and superannuation;
 - (b) 98.7% of the unsecured creditor claims recorded on MYOB are against AMPL, AMG and AMGSS, as set out in the table below:
 - (c) unsecured claims against AMGSS are predominantly made up of claims by the Australian Taxation Office (**ATO**) and Gwynville Properties (being \$4,948,056.90 out of a total of \$5,088,990.00). Relevantly:

- (i) the ATO's claim is recorded against the Group, as a consolidated GST reporting entity; and
- (ii) no supporting documents have been produced in relation to Gwynville Property's claim for lease and break free costs against AMGSS. It is believed that the claim may in fact be against AMPL, being the retail trading entity which held the various retail entities.
- (d) remaining fee approvals and remuneration approvals sought for AMGH, AMPL, AMG and AMGSS are detailed below:

Remuneration Requests					
	AMGH	AMPL	AMG	AMGSS	Total
Current Approval	5,329.5	0.0	14,791.0	84,380.0	104,500.5
Retrospective Remuneration Approval Sought	19,266.0	175,589.6	33,912.0	0.0	228,767.6
Future Remuneration Approval Sought	0.0	105,194.1	45,182.8	0.0	150,377.0
Total	24,595.5	280,783.7	79,094.8	84,380.0	468,854.0

- (e) the dividend to priority creditors will be made by AGSS as the entity which employed group staff. The time and costs incurred in declaring and paying this dividend will be charged to and paid by AMGSS, out of the pre-approved remuneration; and
- (f) the first and final dividend to unsecured creditors will be paid by the relevant debtor entity in each case. Given that 98.7% of the unsecured creditor claims are against AMPL, AMG and AMGSS (of which the ATO debt is recorded against the Group and the Gwynville debt is expected to be made against AMPL), it is proposed that all time and costs incurred in declaring and paying the dividend to unsecured creditors is to be met by AMPL and AMG; and
- (g) the expense incurred in recording time against the remaining 14 entities for the work required in declaring and paying dividends to creditors of those entities would exceed the fees that would be recoverable from those entities.

Practical considerations of fee approval

51. As set out at paragraphs 33 to 40 above, it is proposed that the Proceeds and all cash at bank balances (but for AMGSS, as its own separate entity) be remitted to the Primary Bank Account for the purposes of making the distribution to creditors in accordance with the Cross Deed and section 556 of the Act.
52. It is also proposed that the Historical Fees and the Future Fees, including legal fees and disbursements be paid from the Primary Bank Account.
53. The effect of that proposal will be that some companies in the Group that are unfunded and have no assets will have the remuneration and costs of their liquidations, up to the amounts previously approved as set out at paragraph 44 above, paid from funded Group companies. Those Group entities that are unfunded, are as follows:
- (a) AMGH;
 - (b) Billy Hyde Imports Pty Ltd (In Liquidation) ACN 102 430 704;
 - (c) Billy Hyde Music Adelaide Pty Ltd (In Liquidation) ACN 118 409 466;
 - (d) Billy Hyde Music Brisbane Pty Ltd (In Liquidation) ACN 110 657 719;
 - (e) Billy Hyde Music Gold Coast Pty Ltd (In Liquidation) ACN 125 873 752;
 - (f) Billy Hyde Music Group Pty Ltd (In Liquidation) ACN 116 398 371;
 - (g) Billy Hyde Sunshine Coast Pty Ltd (In Liquidation) ACN 121 011 970;
 - (h) Intermusic Distribution Pty Ltd (In Liquidation) ACN 006 539 831;
 - (i) MLA Asset Services Pty Ltd (In Liquidation) ACN 131 523 905;
 - (j) MLA Services;
 - (k) Music Link Australia Pty Ltd (In Liquidation) ACN 005 541 239;
 - (l) Musiclink Group Pty Ltd (In Liquidation) ACN 125 412 464;

(m) Musiclink Orchestral Supplies Pty Ltd (In Liquidation) ACN 117 581 996; and

(n) The Billy Hyde Group Pty Ltd (In Liquidation) ACN 126 132 107,

(together, **Unfunded Companies**).

54. I consider that the payment of the remuneration and incurred costs of the Unfunded Companies is justified given:

- (a) the integrated and interdependent business structure of the Group;
- (b) that tasks undertaken by my staff in relation to one Group entity were usually relevant to at least one other Group entity, if not the Group as a whole;
- (c) it was accordingly necessary for my staff and I to investigate the affairs of the Unfunded Companies in the course of investigating and administering the affairs of the Group in liquidation;
- (d) most of the Unfunded Companies were specific purpose entities incorporated to hold leases of retail premises used by the Group, or other discrete operations. The operations of these entities benefitted the group as a whole by enabling trading operations by the funded companies; and
- (e) the Unfunded Companies incurred liabilities under the Cross Deed for the benefit of the funded companies in the Group.

55. On 8 July 2021 in accordance with rule 9.2(3) of the *Supreme Court (Corporations) Rules 2013* (Vic), notice of this application was given to creditors and relevant shareholders together with a copy of this affidavit (before it was sworn). As set out at paragraph 22 above, prior to the hearing of this application, I will provide a supplementary affidavit confirming if any response to the Report was received from any creditor.

Number of Shares Issued:	1001	(AR 1990)
Total Amount Paid / Taken to be Paid:	\$1,001.00

The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database. Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.

Number of Shares Issued: 100

Total Amount Paid / Taken to be Paid: \$100.00

Number of Shares Issued: 55959849
Total Amount Paid / Taken to be Paid: \$55,959,849.00

The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database. Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.

For each class of shares issued by a company, ASIC records the details of the twenty members of the class (based on shareholdings). The details of any other members holding the same number of shares as the twentieth ranked member will also be recorded by ASIC on the database. Where available, historical records show that a member has ceased to be ranked amongst the twenty members. This may, but does not necessarily mean, that they have ceased to be a member of the company.
